CHRISTMAS MITTENS 2025

This year's Christmas mittens take you back to the fairytale forest and the little cottage we became familiar with for the 2024 Christmas mittens. This year, we will visit the place where the animals celebrate Christmas around the snow-covered spruce trees. Each mitten is embellished with a Latvian braid and shaped with a thumb gusset for the best possible fit.

STITCHES AND TECHNIQUES
See Tips and Shortcuts on the last page for common abbreviations and other useful information.

K2tog: Knit 2 stitches together = right-leaning decrease.
Sl 1, k1, psso: Slip 1 stitch, knit 1 stitch, pass slipped stitch over knitted stitch = left-leaning decrease.
CDD (centered double-decrease): Slip 2 stitches as if to knit together, from left to right needle. Knit 1, pass the 2 slipped stitches over knitted stitch. The center stitch lies on top.

RIGHT-HAND MITTEN
With color 2 and gauge-size dpn, CO 48 sts. Divide sts evenly onto 4 dpn (or on magic loop circular) and join; pm for beginning of rnd.

LATVIAN BRAID
Rnd 1: *K1 with color 2, k1 with color 3*; rep * to * around.

NOTE Hold yarn in **front** of work throughout Rnds 2 and 3.
Rnd 2: Holding both strands in front, with each color change, bring new color ***under*** the yarn just used: *P1 with color 2, p1 with color 3*; rep * to * around.

Rnd 3: Holding both strands in front of work throughout, with each color change, bring new color ***over*** the yarn just used: *P1 with color 2, p1 with color 3*; rep * to * around.

HAND
Knit around in stockinette following pattern chart A1 (Rows 1-11).

Thumb Gusset
Continue working in charted pattern and, *at the same time*, increase for thumb gusset following chart A1 (Rows 12-31). The gusset is finished once you've worked chart Row 31.

Rnd 1: Work 28 sts following Row 1 of chart B1, place the next 19 sts on a holder and then continue, following chart to end of rnd.

Continuation of Hand
Work following Chart B1 (Rows 2-30).

Mitten Top
Shape mitten top by decreasing as shown on chart B1 (Rows 31-41). Decrease with left- and right-leaning decreases and centered double decrease – see Stitches and Techniques above).

Last Rnd: K1 with color 2, make centered double decrease with color 1, k1 with color 2. With color 1, decrease 2 more sts with CDD = 4 sts remain. Cut yarn and draw end through remaining sts; tighten.

THUMB
Slip held 19 thumb sts onto gauge-size dpn and divide over 3 dpn.

Rnd 1: Work following Thumb chart and pick up and knit 1 st at inner base of thumbhole = 20 sts.

Knit around following chart C (Rows 1-14).

Shape Thumb Top
Knit 2 rnds with color 1.

Decrease Rnd: *K2tog*; rep *-* around = 10 sts remain. Cut yarn and draw end through remaining 10 sts; tighten.

LEFT-HAND MITTEN
Work as for right-hand mitten but follow charts A2 and B2 instead of A1 and B1 so the mitten is mirror-image.
NOTE The last rnd of the mitten top is worked as follows for left-hand mitten:
With color 1, CDD, k1 with color 2, CDD with color 1, k1 with color 2.

FINISHING
Weave in all ends neatly on WS. Block mittens by dampening, preferably with water from a spray bottle. Roll mittens in a towel to absorb excess water. Pat out to finished measurements and leave flat until completely dry.

TIPS & SHORTCUTS

To avoid questions: Before you begin knitting, read through the pattern.

Stitch count: Always knit or crochet a gauge swatch as recommended in the pattern. If your stitch count doesn't match the gauge given in the pattern, try again with larger or smaller needles or hook. If your gauge doesn't match that in the pattern, your item will not be the correct size or shape.

Highlight the size you will knit or crochet throughout the pattern to make it easier to follow the instructions.

Charts: It will be easier to follow a chart if you mark your row with a ruler and magnetic board or sticky note.

Ease: The amount of ease included in our garments varies depending on the type and shape of the garment. To determine the right size, we recommend that you first measure your body. Then you can calculate the garment size depending on how much ease you want the garment to have. The schematics for each piece show all the garment measurements.

Two-color stranded knitting: When knitting more than 3-4 stitches of the same color, twist the color strands around each other on the wrong side to avoid long strands or "floats" on the back. If the yarns need to be twisted on several rows/rounds, make sure you do not stack the twists in the same place to prevent the yarns from showing through on the right side.

Tips för hand dyed yarn: Make sure you have enough yarn to complete your project. The colors may vary from time to time. To get a smooth color mix, you can alternate between two skeins: knit two rows from one and two rows from another skein.

DIFFICULTY

Beginner: Anyone with no experience knitting/crocheting. Easy techniques and clear explanations.

Adventurous Beginner: For a beginner ready to take the next step. Clear explanations so you can try some new techniques.

Intermediate: Anyone who has knitted/crocheted for a while but who wants a challenge. More advanced techniques and two steps occur at the same time.

Experienced: For experienced knitters/crocheters who have already tried many techniques and methods. Advanced/uncommon techniques and several steps occur simultaneously.
