Instructions

Knit Body

1. CO 3 stitches in main body color
2. Kfb of each stitch (6 stitches on needle)
3. Divide stitches between 2 needles using the 3rd as your working needle, use a stitch marker to mark bor in your preferred method. I like to use a locking stitch marker
4. Kfb to end of round (12 stitches)
5. Knit 2 rounds
6. K1, M1 to end of round (24 stitches)
7. Knit 2 Rounds
8. K2, M1 to end of round (36 stitches)
9. Knit 2 rounds
10. K2, M1 to end of round (55 stitches)
11. Knit 25 Rounds
12. K2 K2tog to end of round (40 stitches)
13. Knit 1 round
14. K2tog to end of round (20 stitches)

Knit Wings (Make 2)

1. CO 6 stitches in body color
2. Knit 2 rows
3. SSK2tog, K2, K2tog
4. Knit 2 rows
5. SSK2tog K2tog
6. Knit 2 rows
7. Bind off leaving a long tail to attach them to the body

Knit Cocks Comb

1. CO3 in red color
2. Knit 2 rows
3. KFB to end
4. Bind off leaving a long tail to attach it to the body

Assemble Your Chicken!

1. Decide where you want the wings! Using the tail left after bind off, sew them to the sides of the body of your chicken with your darning needle. Weave extra length into the body of the chicken
2. Attach the cocks comb to the top of your chicken, using the tail left from binding off and weave extra length into the body of the chicken
3. For eyes make a double knot one stitch wide and weave leftover ends into the body
4. For the beak make a knot or loop 3 times over 3 stitches (or whatever your prefer) weave loose ends into body
5. You're finished! Enjoy your new cuddly friend
