Old Shale Scarf by Tiennie

This is just a simple feather and fan stitch pattern, otherwise known as Old Shale for the resemblance to waves upon the sand. This stitch pattern is often used as a finishing edge on clothing items. I knitted a scarf with this beautiful and silky fingering weight yarn in order to be able to enjoy the warmth and softness around my neck.

Size: 8 inches wide by 80 inches long (but knit it to your desired length)

Materials:
- Sundara Yarn Fingering Silky Merino in Autumn Rose
- US #6 needles
- 1 tapestry needle for weaving in ends

Gauge:
Pattern gauge is 27 sts = 4 inches. Since it is a scarf, the gauge is completely up to your preference!
